**NOTICE TO THE SHAREHOLDERS OF AURIS EUROPEAN EVOLUTION SRI**  
**(the “Compartment”)**

**Change in the Management method, Change of name.**

---

30<sup>th</sup> April 2024

Investors in the AURIS EUROPEAN EVOLUTION SRI compartment are hereby informed of the following change:

1) Change of the management method

Following a review of the management method off the Compartment, in particular the anticipation of the abandonment of the SRI label, the board of directors of the Fund has decided to change the management method of the compartment from a diversified asset allocation management to a conviction management. The aim of conviction management is to outperform the index through strong opportunistic investment choices over a medium to long-term horizon, with SRI and ESG considerations.

2) Change of name

As a consequence, the Board has decided to change the name of the Compartment in order to take into account the new management method.

Please be informed that as of May 1<sup>st</sup>, 2024, the Compartment will be named **AURIS CONVICTIONS EUROPE ESG.**

Yours sincerely,

**The board of directors of AURIS**
